

School Messenger

PLA Parent/Guardian,

The Telephone Consumer Protection Act bars the use of automated calling systems such as School Messenger for non-emergency purposes without express written consent of individuals. Therefore, Phalen Leadership Academies will discontinue all non-emergency automated calls (including absence verification calls) until written consent of a parent/guardian is obtained.

Please review the permission slip below and indicate your approval to receive non-emergency messages via School Messenger. Upon receipt of this document, your account will be updated accordingly within the system as per your request.

A Parents/Guardian must sign and return a copy of the permission slip, no later than September 30th of the current school year. Failure to return the permission slip will result in a deactivation of the family's School Messenger Account. Please contact your network school with any questions.

Scholar's Name: _____

Parent/Guardian's Name _____

Preferred Contact Number: _____

Secondary Contact Number: _____

I give Phalen Leadership Academies permission to send non-emergency messages to the phone numbers listed above via call, text, email or by way of an automated dialing system, such as School Messenger.
